Applicant's Representations

1. Applicant is an open-end management investment company organized as a New York corporation. On December 21, 1993, applicant registered under the Act and filed a registration statement under the Securities Act of 1933 to register its shares. The registration statement became effective on June 13, 1994, and the initial public offering commenced on June 16, 1994.

2. On February 6, 1995, the Acting Superintendent for the Banks of the State of New York took possession of Nationar, applicant's investment adviser, a commercial bank organized under the laws of the State of New York. During a telephonic board meeting held on February 13, 1995, applicant's board of directors considered what was the appropriate action to be taken regarding the applicant and its funds. At that time, the board of directors took formal action to close applicant's Money Market Portfolio as all of the shareholders other than Nationar had redeemed their shares. At a subsequent telephonic meeting of applicant's board of directors held on February 17, 1995, the chairman reported that he had been contacted by most, if not all, of the shareholders in each of applicant's other funds and had been advised that all of them were contemplating redeeming their shares. Throughout the period February 6, 1995 through February 17, 1995, officers of Nationar, fund counsel and applicant's accountants had been communicating with the SEC and the New York State Banking Department in order to determine what action should be taken with respect to applicant and its funds. By unanimous written consent dated March 1, 1995, the board of directors adopted resolutions authorizing the officers of the applicant to take all such action as necessary to cease offering shares of applicant's Money Market Portfolio, Government Securities Portfolio, and U.S. Mortgage Securities Portfolio.

3. All assets of applicant have been distributed to shareholders through individual redemptions. Immediately prior to the redemptions, each fund's assets were converted into cash. No brokerage commissions or other fees were paid in connection with the redemptions or the conversion of portfolio securities into cash.

4. All expenses incurred in connection with the liquidation,
